PROFESSIONAL SUMMARY

K–12 certified music educator with seven years of teaching experience across classroom, group and individual settings, including Grades 1–3 music at an IB PYP international school. I combine singing, movement, instrumental playing, composition and reflection to develop children's musicianship. My experience includes collaborative PYP curriculum design, preschool music, elementary choirs and musicals, supported by training in Universal Design for Learning and an active practice as a cellist and composer.

TEACHING EXPERIENCE

Stamford American International School, Singapore

IB Primary Years Programme / US Washington State standards

Elementary Music Teacher — Aug 2023 – Present

- **Classroom teaching:** Teach 12 classes across Grades 1–3 and approximately 250 students weekly, covering singing and solfège, notation, Orff instruments, composition, listening and music appreciation.
- **Curriculum design:** Redesigned Grades 1–3 music curriculum with the PYP Coordinator, aligning it with Units of Inquiry, the Learner Profile, ATL skills and Washington State standards; adopted by the elementary school in AY 2024–25.
- **Inquiry and progression:** Plan concept-driven music learning that connects performing, listening and creating with transdisciplinary inquiry, building from aural and movement-based exploration towards ensemble skills and notation.
- **Inclusive instruction:** Differentiate musical participation through visual, aural and movement-based scaffolds, language supports and tiered success criteria, with additional challenge for pupils ready to extend their learning.
- **Responsive assessment:** Use digital formative assessment, including Seesaw, to identify individual misconceptions and plan targeted reteaching and extension tasks matched to pupils' readiness.
- **School productions:** Provided music direction for three elementary musicals between AY 2023–24 and 2025–26, working within the co-directing team and coaching singing and choreography for casts of 20–30.
- **Choirs:** Co-directed the Grades 3–5 choir of 40–50 singers in AY 2024–25 and 2025–26, sharing repertoire selection, conducting, sectionals and individual support with a colleague.
- **Instrumental provision:** Founded Young Cellists for Grades 1–2 in AY 2026–27, providing an opportunity to continue cello learning after kindergarten.
- **PYP Exhibition mentorship:** Mentored Grade 5 students in developing inquiry, evaluating source credibility and communicating their findings through digital and creative projects.
