PROFESSIONAL SUMMARY

K–12 certified music educator, cellist and composer with seven years of teaching experience, alongside responsibility for school productions, ensemble programmes, curriculum development and event coordination. My work combines musical direction and creative production with programme founding, budget management and collaboration across school divisions and operational teams. I bring experience producing youth concerts, developing opportunities for student participation and coordinating schoolwide conferences, supported by classroom practice in an IB PYP international school.

SCHOOL MUSIC & PROGRAMME EXPERIENCE

Stamford American International School, Singapore

IB Primary Years Programme / US Washington State standards

Elementary Music Teacher — Aug 2023 – Present

- **School productions:** Provided music direction within co-directing teams for three elementary musicals across AY 2023–24 to 2025–26, combining vocal preparation, choreography instruction and staging support for casts of 20–30.
- **Ensemble direction:** Directed and co-directed string ensembles and choirs across elementary and secondary grades, preparing school concert performances through whole-group rehearsals, sectionals and individual coaching.
- **Curriculum development:** Redesigned Grades 1–3 music curriculum with the PYP Coordinator, aligning musical progression with Units of Inquiry, the Learner Profile, ATL skills and Washington State standards; adopted by the elementary school in AY 2024–25.
- **Participation and outreach:** Founded Young Cellists to continue instrumental learning after kindergarten and the Chamber Outreach Club to involve advanced musicians in collaborative arranging and planned community performances.
- **Repertoire and creative production:** Regularly arrange chamber music to match pupils' interests, proficiency and instrumentation; currently co-writing and composing an original elementary musical with a drama colleague.
- **Teaching and assessment:** Teach approximately 250 pupils across 12 Grades 1–3 classes weekly, using formative assessment to identify learning needs and plan differentiated support and extension.
