PROFESSIONAL SUMMARY

K–12 certified music educator and cellist with seven years of teaching experience across individual instruction, orchestral sectionals and school ensembles. I teach cello from beginner to advanced levels and violin, viola and double bass at beginner level, alongside experience in high-school strings co-direction and advanced chamber music. My approach uses individual listening during sectionals to guide coaching and repertoire adaptation, drawing on composition and arranging skills to respond to players' technical readiness within ensemble work.

TEACHING & ENSEMBLE EXPERIENCE

Stamford American International School, Singapore

IB Primary Years Programme / US Washington State standards

Elementary Music Teacher — Aug 2023 – Present

Ensemble responsibilities alongside the classroom appointment:

- **Ensemble conducting:** Conducted school concerts across string ensembles and elementary choirs, with experience directing beginner strings and sharing conducting responsibilities for high-school strings and elementary choir performances.
- **Strings and chamber coaching:** Co-direct and coach the high-school string ensemble of up to 40 players alongside its founding lead teacher, and coach advanced Grades 6–12 chamber groups of up to eight musicians.
- **Assessment and repertoire adaptation:** Assess individual players during sectionals to identify technical and musical needs, then provide targeted coaching and adapt ensemble repertoire through rearrangement or newly composed sections.
- **Chamber arranging:** Regularly arrange music around pupils' musical interests, matching technical demands to their proficiency and tailoring parts to each chamber group's instrumentation.
- **Beginner ensembles:** Led Grades 1–2 Beginner Strings in AY 2023–24 and 2024–25, introducing ensemble playing to pupils with prior instrumental experience through repertoire matched to their technical readiness.
- **Programme development:** Founded Young Cellists for Grades 1–2 in AY 2026–27, establishing an opportunity for pupils to continue cello learning after kindergarten.
- **Student creativity and outreach:** Founded the Chamber Outreach Club, involving five advanced pupils in collaborative arranging and rehearsing music for planned community performances.
- **Classroom musicianship:** Teach approximately 250 pupils across 12 classes weekly, integrating notation, singing, instrumental playing, composition and listening within Grades 1–3 music.
- **Curriculum collaboration:** Redesigned Grades 1–3 music curriculum with the PYP Coordinator, aligning musical learning with Units of Inquiry and Washington State standards; adopted by the elementary school in AY 2024–25.
